

## Tuned for cross-terrain.

The x2's deeply treaded, all-terrain tires can master intimidating patches of dirt, gravel, grass, or sand. A special adaptation of Segway Inc.'s dynamic stabilization technology and a wider track maximize stability, while the x2's higher ground clearance ensures that steep hills, uneven trails, and errant rocks won't impede your ride. It can carry you up to 12 miles/19 km on a single charge,\* and when you want to transport your x2 to an off-pavement destination, oversized handles make it easy to hoist it in or out of a vehicle. Wherever your pursuit of the adrenaline rush takes you, pure exhilaration is sure to follow as the x2 propels you over the landscape, instantly responding to your every move.
